BECOMING A PA-C

THE BOARD GAME

Let's start at Middle School.

You graduated from Middle School. **Time for High School!!**

Focus on Biology and Chemistry in High School.

Those AP Classes paid off and you graduate early! **Advance three spaces.**

Congratulations on your Graduation! Time for College!

First Day of Freshman Year!

Research and find good **PA Programs**.

Congratulations! You have graduated from college and **obtained your Bachelor Degree!**

Get out there and **gain HCE and PCE hours** at a local hospital.

While completing basic requirements, **take prerequisite courses for PA School.**

You skipped classes... **Go back two spaces.**

Apply to PA School!

You got accepted to a PA Program! **KEEP GOING!!!**

Oh No! You over slept and missed class. **Go back two spaces.**

Congratulations! **You completed PA School!**

Take some time to review different specialties.

Hooray!! Y**ou passed the PANCE Exam!**

CONGRATULATIONS You are a Certified PA!
